

AUSTRIAN RESERVISTS
ROBBED BY COUNTRYMENThree Suspects Are Arrested After
Hard Fight With Detectives.

Ever since the European war began the Austrian and Russian consuls have been complaining to the police that gangs of fellow countrymen were robbing ignorant reservists who could not find ships for the other side. One of the latest complaints was that of Ivan Wasnowicz of Norristown, N. J., who met a man in city Hall Park last Saturday and was taken to a house in Pike street on pretense that there he could sign papers for a job on the subway. He was drugged and robbed of \$8 and two gold watches.

Detectives Martin Sheridan, Dawson and Kieturkiewicz last night trailed Sigmund Orzechowski of No. 100 Mott street to No. 17 Pike street. There the detectives found half a dozen Austrians who defied them. Sheridan and the others got into action, and when they arrested Orzechowski, Joseph Abramski and John Milewski in Police Headquarters today the men looked as though they had gone through a hard campaign.

CHAMBERLAIN BRUERE
CAN'T FIND HIS SISTERMiss Alice Bruere Is Somewhere
in Europe, but Can't Be
Traced.

City Chamberlain Henry Bruere is using every effort to locate his sister, Miss Alice Bruere, who in company with Miss Kelsey, sister of Clarence Kelsey, president of the Guaranty Trust Company, is believed to be marooned somewhere in France.

From what can be learned the Misses Bruere and Kelsey were in Tours, France, from July 21 to 28, and on July 29 were reported to be in Concarneau, a small place not far distant. That was the last heard of them.

It is believed that the sister of the City Chamberlain and Miss Kelsey are either isolated in some obscure village, or are trying to make their way to one of the large cities. At any rate all attempts to get in communication with them have thus far failed and there is considerable anxiety felt among their relatives and friends.

Ambassador Herriok has been making inquiries but thus far has nothing favorable to report to the State Department at Washington. Mr. Bruere asks The Evening World, through its English and French correspondents, to render any assistance within their power.

It is believed that if Miss Bruere and Miss Kelsey reached Paris or London they would have been heard from before now. Whether they carried out that part of their plan is uncertain before reaching Paris is what their relatives have been unable to ascertain.

ONE DIES IN PARK ROW FIRE.

Philip Laidish Is Suffocated by
Smoke in His Bed.

Overcome by smoke in his bed, Philip Laidish, forty-two years old, was suffocated early today in a fire in the top floor of the Gilbert Lodging House, No. 180-82 Park Row. He had a small room, the door to which was bolted when he was found dead.

The fire drove a hundred lodgers to the street and resulted in serious injury to Fireman Stanley Schlammer of Truck Company No. 6. Schlammer was tearing down a partition, when a large splinter lodged in his left eye. At Hudson Street Hospital, where he was taken in Deputy Chief Binna's automobile, it was said he probably would lose the sight of it.

THE PURE FOOD AND
DRUG LAW

has not only brought the foods and drugs of this country up to a higher standard of purity, but it has eliminated the harmful medicines with which this country was flooded.

Such medicines, however, as Lydia E. Pinkham's Vegetable Compound, purely a roots and herbs product, will continue its beneficial work among women.

To Keep Your Skin
Free From Hairs

(Beauty Topics)
If you are willing to spend a few minutes' time in your room using a delatone paste, you can easily banish any ugly, hairy growth without discomfort or injury. The paste is made by mixing some water with a little powdered delatone. This is then spread over the hairy surface and after about 5 minutes rubbed off and the skin washed. You will not be disappointed with this treatment, providing you get real delatone.—Adv.
